### The Practice of Social Research - Earl R. Babbie, Johann ...

Earl Robert Babbie (born January 8, 1938), is an American sociologist who holds the position of Campbell Professor Emeritus in Behavioral Sciences at Chapman University. He is best known for his book The Practice of Social Research (first published in 1975), currently in its 14th English edition, with numerous non-English editions.

Packed with hands-on applications, Babbie's THE PRACTICE OF SOCIAL RESEARCH, 15th Edition, equips your students with the tools they need to practically apply research concepts as both researchers and consumers. Known as the "gold standard" for research methods, the text delivers a comprehensive, straightforward introduction to the field of research as practiced by social scientists. Dr. Babbie emphasizes the research process by showing students how to design and construct projects, introducing the various observation modes in use today. The new edition includes "What do you think?" puzzles that immediately draw students into chapter concepts. General Social Survey data is updated throughout while new coverage includes the global use of social research, the emerging role of big data, demographic analysis and more. Also available: MindTap digital learning solution.

Known throughout academia as the gold standard of research methods texts, THE PRACTICE OF SOCIAL RESEARCH, 12th Edition, is a comprehensive, straightforward introduction to the field of research as practiced by social scientists. This best-selling text emphasizes the research process by showing students how to design and construct projects, introducing the various observation modes in use today, and answering questions about research methods--such as how to conduct online surveys and analyze both qualitative and quantitative data. THE PRACTICE OF SOCIAL RESEARCH gives students the tools they need to apply research concepts practically, as both researchers and consumers. Important Notice: Media content

referenced within the product description or the product text may not be available in the ebook version.

By emphasizing an understanding of the theoretical logic behind the research process and preferred techniques, *The Practice of Social Research*, 7th, helps students see methods as a way of thinking and gathering evidence. Using an informal, conversational writing style, Babbie diffuses student anxiety by delivering clear, practical, example-filled discussions of all the major methods of social research.

This thorough revision of Babbie's standard-setting text presents a succinct, straightforward introduction to the field of research methods as practiced by social scientists. Contemporary examples, such as terrorism, Alzheimer's disease, anti-gay prejudice and education, and the legalization of marijuana, introduce students to the how-tos and whys of social research methods. Updated with new data, expanded coverage of online research and other topics, and new Learning Objectives for each chapter to focus students' attention on important concepts, this edition continues to be authoritative yet student-friendly and engaging as it helps students connect the dots between the world of social research and the real world. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Rubin and Babbie's *ESSENTIAL RESEARCH METHODS FOR SOCIAL WORK* provides students with a concise introduction to research methods that offers illustrations and applications specific to the field, as well as a constant focus on the utility of social work research in social work practice. Outlines, introductions, boxed features, chapter endings with main points, review questions and exercises, and Internet exercises provide students with the information and practice they need to succeed in the course. Part of the Cengage Empowerment Series, the fourth edition is up to date and thoroughly integrates the core competencies and recommended practice behaviors outlined in the current Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE).
