regional and global occurrences, including social, political and geographical events, on education systems and schooling in the region. As a whole, the book provides a comprehensive reference resource for contemporary education policies in the Caribbean, and explores some of the problems these countries face during the process of development. It is an essential reference for researchers, scholars, international agencies and policy-makers at all levels.

This textbook provides a full two-year course for students in the fourth and fifth years of Caribbean secondary schools. The book revises and develops all the language skills that students need to help them achieve the best result in their examinations. The text features: a wide range of stimulating
