Lukas *Designed For Use Lukas Mathis*

In this book for designers, developers, and product managers, expert developer and user interface designer Lukas Mathis explains how to make usability the cornerstone of every point in your design process, walking you through the necessary steps to plan the design for an application or website, test it, and get usage data after the design is complete.

Designed for Use by Lukas Mathis
- *goodreads.com*

Lukas Mathis' "Designed for Use" is a surprisingly enjoyable read and a useful resource. It's well written, not in a staid and technical way, but in an organized, entertaining, and thoughtful manner. I suspect the right target for this book to be program managers as opposed to those doing the heavy lifting and coding.
