Welcome to James Gurney's fantastic lost world of Dinotopia, where humans and intelligent dinosaurs have lived together in harmony for centuries, undiscovered by the rest of the world. Now these New York Times bestselling books are available from HarperCollins. The Dinotopia books are a celebration of the imagination for readers of all ages. In 1862, biologist Arthur Denison and his young son Will are washed up on the shore of an uncharted island, where they discover humans and an ancient race of dinosaurs sharing a civilization of wonder and adventure.

When James Gurney's *Dinotopia: A Land Apart from Time* first appeared in 1992, it was immediately hailed as a fully imagined world of the caliber of J. R. R. Tolkien. Gurney's premise — of an undiscovered island where a race of mystical humans co-exists in harmony with intelligent dinosaurs — has been since reiterated over and over in numerous films and by scores of other writers. Now, Calla Editions brings Gurney's spectacular artistry to a new generation in this 20th anniversary edition. Digitally re-rendered from the original transparencies, Gurney's dramatic panoramas of Dinotopia and close-up character studies of its inhabitants — both human and saurian — take on new vitality. And as a tale of high adventure and discovery told as entries and sketches in journal form, *Dinotopia* presents a shipwrecked visitor's glimpse into an imagined social order, a culture, and even a cooperative interspecies technology that will satisfy lovers of fantasy and science fiction of all persuasions. This edition includes a new Afterword written by author James Gurney as well as a special section of behind-the-scenes studies and

maquettes he used in developing his paintings. This signed, numbered edition, limited to 250 copies, includes a deluxe slipcase.
