Buy Financial Accounting 7th edition (9780470477151) by Jerry J. Weygandt for up to 90% off at Textbooks.com.

Weygandt's Financial Accounting, 8th Edition, builds upon previous issues by offering a more in-depth introduction to financial accounting with a continued focus on relevant examples based on everyday life. The goal is to help readers further understand the fundamental concepts necessary to use accounting effectively today, as well as an introduction to IFRS and how to use accounting in the future. Kimmel, Weygandt and Kieso present real financial statements and establish how a financial statement communicates the financing, investing, and operating activities of a business to users of accounting information.

The new eighth edition of Financial Accounting: Tools for Decision-Making, Canadian Edition by Kimmel, Weygandt, Kieso, Trenholm, Irvine and Burnley continues to provide the best tools for both instructors and students to succeed in their introductory financial accounting class. It helps students understand the purpose and use of financial accounting, whether they plan to become accountants or whether they simply need it for their personal life or career. The book's unique, balanced procedural and conceptual (user-oriented) approach, proven pedagogy and breadth of problem material has made Financial Accounting the most popular introductory text in Canada. This hands-on text, paired with a powerful online teaching and learning environment offers students a practical set of tools for use in making business decisions based on financial information.

Our top selling introductory accounting product Accounting Principles helps students succeed with its proven pedagogical framework, technical currency and an unparalleled robust suite of study and practice resources. It has been praised for its outstanding visual design, excellent writing style and clarity of presentation. The new eighth edition provides more opportunities to use technology and new features that empower students to apply what they have learned in the classroom to the world outside the classroom.
