I AM, the newest children’s book by Dr. Wayne W. Dyer, is taken from his latest book for adults, Wishes Fulfilled. I AM teaches kids a simple but profound message: God is not far off in the distance, or even merely beside us. In other words, we are not separate from God—we are God! Knowing that God’s love and strength is a part of everyone can help kids grow to meet their greatest potential in life. The book uses a rhyme and illustrations to teach this lesson and help children realize that they are greater than they ever imagined! There is also a special section at the end that teaches the important meaning and way to use the words I am to create love, happiness, and greatness in their own lives and the world

''What I'm offering in this book is the awareness that we can return to a full-time position of inspiration, which is the true meaning of our life.'' - Dr. Wayne W. Dyer.....INSPIRATION In this groundbreaking book, Dr. Wayne W. Dyer explains how we've chosen to enter this world of particles and form. From our place of origin, in ways that we don’t readily comprehend now, we knew what we were coming here to accomplish, and we participated in setting this life process in motion. So why not think along these same lines? Why put the responsibility or blame on any one or any thing that's not a part of us? On Earth we have the capacity of volition - we can choose - so let's assume that we had the same capacity when we resided in the spiritual realm. We chose our physical body, and we chose the parents we needed for the trip. It doesn't seem too great a stretch to move into the idea that we chose this life in concert with our Source. Inspiration can be cultivated and be a driving force throughout life, rather than showing up every now and then and just as mysteriously disappearing, seemingly independent of our desires. Inspiration is for everyone! It isn't reserved for high-profile creative geniuses in the arts and sciences - it's inherent in our Divine birthright. The problem is that as children we're gradually taught to believe exclusively in the world of phenomena where ego is dominant and inspiration diminished. As you read each chapter in this book, you'll find specific suggestions for living ''in-Spirit.'' From a very personal viewpoint, Wayne offers a blueprint through the world of inspiration - your ultimate calling.

Offers a collection of over 200 of author's famous quotes and observations.

Collects three works that detail how intention allows creation, the search for what life is about, and stopping negative thoughts from preventing success.

The bestselling author of Your Erroneous Zones, Pulling Your Own Strings, and Wisdom of the Ages combines psychological insights and guidelines for achieving spiritual fulfillment to present a three-step program designed to help readers look inside themselves to find a new sense of self-awareness and spiritual joy. Developing the sacred self, Wayne Dyer explains, brings an understanding of our place in the world and a sense of satisfaction in ourselves and others. In Your Sacred Self, Dyer offers a program that helps listeners establish a spiritually-oriented, rather than an ego-oriented, approach to life. Step by step, Dyer shows us how to progress from emotional awareness to psychological insight to spiritual alternatives in order to change our experience of life from the need to acquire to a sense of abundance; from a sense of one's self as sinful and inferior to a sense of one's self as divine; from a need to achieve and acquire to an awareness that detachment and letting go bring freedom. Your Sacred Self is an inspiring, hopeful, illuminating guide that can help everyone live a happier, richer, more meaningful life.

The Shift—the book inspired by the movie of the same name—illustrates how and why to make the move from ambition to meaning. Experience the internationally renowned principles and teachings of Dr. Wayne W. Dyer as they come to life in this one-of-a-kind enhanced e-book. Download The Shiftand allow these lessons to guide you down a more authentic and rewarding path today. As we contemplate leaving the morning of our life, where ego has played a commanding role, and entering the afternoon (and evening), where meaning and purpose replace ambition and struggle, we may encounter unexpected occurrences that accompany this new direction. It’s almost a universal law that we’ll experience a fall of some kind. Yet these falls or low points provide the energy we need to move away from ego and into a life of meaning and purpose. The Shift doesn’t mean that we lose our drive and ambition; it signifies that we become ambitious about something new. We make a commitment to living a life based on experiencing meaning and feeling purposeful, rather than a life based on never-ending demands and false promises that are the trademark of the ego’s agenda.

Now in tradepaper is the first book of spiritual teachings in several years from international best-selling author and beloved spiritual teacher Dr. Wayne W. Dyer. Audio lectures of Wayne's from the 1990s and 2000s are restructured in a cohesive way to offer a fresh take on his teachings. "When you change the way you look at things, the things you look at change." This was something Dr. Wayne Dyer said often, and it was the inspiration for this book. The material contained within is taken from speeches and presentations he gave to many varied audiences, over many years. Yet it seemed that no matter who he talked to, he returned to a few themes over and over again, and these themes are woven throughout the pages of Happiness Is the Way. As Wayne will show you, there is no magic potion for getting what you want from life. All you could ever want or need can be found inside of you--you simply need to learn to reframe your thinking. No matter what your present circumstances are, you have the power to overcome them. This book will show you the impact of your attitudes, choices, and expectations, leading you to a great sense of empowerment; help you recognize how you are likely much more successful than you ever realized, regardless of the challenges you may be facing; and illuminate the importance of a personal mission. It also includes specific questions and journal exercises to help you chart the way to the life you've dreamed of. In the process, you'll discover that you contain the seeds for greatness within, leading you to a life of true happiness.

BESTSELLING BOOK In this inspirational guide, Wayne Dyer, the author of the phenomenal bestsellers Wisdom of the Ages, Pulling Your Own Strings, and Your Erroneous Zones, reveals seven beliefs central to working miracles in our everyday lives. When most of us think of magic, we picture a man in a black cape sawing a woman in half, or a sleight-of-hand card trick. But there's another kind of magic - real magic - that can enrich your life. According to Dyer, real magic means creating miracles in everyday life. Quitting smoking or drinking, achieving new Job success, or finding a happy relationship - these are all miracles because they transcend our perceived limitations. From "creating a miracle mind-set" and achieving change in the areas of personal health, prosperity, and fulfilling love relationships to believing in the magic of miracles on a global scale, Dyer shows us that miracles within our reach and within our own minds. In Real Magic, Dyer teaches us how to achieve a higher level of consciousness. He asks us to imagine what would make us happy, then offers specific strategies for attaining these goals. In every aspect of our individual lives - physical health, finances, intimate relationships, and personal identity - there is always room for a miracle or two. And with Dyer's help, each and every one of us can be a miracle worker.

A Promise is a Promise ''Promise you won't leave me, will you, Mommy?''.... ''Of course not, I would never leave you, darling, I promise. And a promise is a promise!'' These were the last words that were exchanged between Kaye O'Bara and her 16-yearold daughter, Edwarda, before the vivacious teenager fell into a diabetic coma on January 3, 1970. For more than 30 years, Edwarda has been in a comatose state - and her mother has kept her promise to never leave her beloved daughter! This dedicated parent, now in her 70s, has kept a vigil by her daughter's bedside for more than a quarter of a century, feeding her every two hours and giving her insulin every four hours around the clock, without fail! The strength, power, and tenacity of Kaye O'Bara's incomparable love has attracted miracles, including the spiritual apparition of the Blessed Mother, who is a frequent ''visitor'' to the O'Bara home in Miami, Florida. These events have astounded the community and have inspired intense interest from the media, and they will amaze you - and teach you - as well! This is a phenomenal book about two ordinary people, the miracles that have made their lives extraordinary, and the lessons that you can learn from them. This is a book you will always remember - about a mother and daughter whose bond of love is everlasting!
