Some said the beautiful Lady Ravenwood had drowned herself in the black, murky waters of Ravenwood Pond. Others whispered of foul play and the devil's wrath. Now country-bred Sophy Dorring is about to become Ravenwood's new bride. Drawn to his masculine strength and the glitter of desire that burned in his emerald eyes, the tawny-haired lass had her own reasons for agreeing to a marriage of convenience. One was vengeance, and in its pursuit she would entangle Julian in a blackmail plot, a duel at dawn, and a dangerous masquerade. The "New York Times"--bestselling author of "'Til Death Do Us Part" trades in her usual setting of Victorian England for the California coast of the 1930s, where glamour and seduction spawn a multitude of sins.

A tantalizing tale of a legendary knight and a headstrong lady whose daring quest for a mysterious crystal will draw them into a whirlwind of treachery--and desire. When the fearsome knight called Hugh the Relentless swept into Lingwood Manor like a storm, everyone covered--except Lady Alice. Sharp-tongued and unrepentant, the flame haired beauty believed Sir Hugh was not someone to dread but the answer to her dreams. She knew he had come for the dazzling green crystal, knew he would be displeased to find that it was no longer in her possession. Yet Alice had a proposition for the dark and forbidding knight: In return for a dowry that would free Alice and her brother from their uncle's grasp, she would lend her powers of detection to his warrior's skills and together they would recover his treasured stone. But even as Hugh accepted her terms, he added a condition of his own: Lady Alice must agree to a temporary betrothal--one that would soon draw her deep into Hugh's great stone fortress, and into a battle that could threaten their lives...and their only chance at love.

After a year of grand adventures touring the classical ruins of Italy and Greece, Iphiginia Bright returned to England to discover that the real excitement was at home. It seems that her Aunt Zoe has fallen victim to a sinister blackmailer and only Iphiginia can hope to stop the culprit before he can do more harm. Her plan is inspired: Imitating history's most legendary beauties--Cleopatra, Helen of Troy, Aphrodite--the former schoolmistress will remake herself, and descend upon London Society as the dazzling mistress of Marcus Valerius Cloud, the infamous Earl of Masters. Rumors hint that the Earl has disappeared at the blackmailer's hands, and by posing as his unknown mistress, Iphiginia is convinced she can ferret out the villain. Overnight, Iphiginia is transformed into a vision with a host of eager admirers, including one she does not expect -- the Earl of Masters himself, who strides into a shimmering ballroom one evening to coolly reclaim his "mistress". He is everything they say he is... arrogant, attractive, devastatingly seductive, and Iphiginia can't help but be enthralled. But when Marcus agrees to play along with her charade, she doesn't know that the determined earl has plans of his own: to tease and tempt her, until the beautiful deceiver becomes more than his mistress in name only.

Return to 1930s Burning Cove, California, the glamorous seaside playground for Hollywood stars, mobsters, spies, and a host of others who find more than they bargain for in this mysterious town. Maggie Lodge, assistant to the reclusive advice columnist known only as Dear Aunt Cornelia to her readers, hires down-but-not-quite-out private eye Sam Sage to help track down the person who is blackmailing her employer. Maggie and Sam are a mismatched pair. As far as Sam is concerned, Maggie is reckless and in over her head. She is not what he had in mind for a client, but he can't afford to be choosy. Maggie, on the other hand, is convinced that Sam is badly in need of guidance and good advice. She does not hesitate to give him both. In spite of the verbal fireworks between them, they are fiercely attracted to each other, but each is convinced it would be a mistake to let passion take over. They are, after all, keeping secrets from each other. Sam is haunted by his past, which includes a marriage shattered by betrayal and violence. Maggie is troubled by intense and vivid dreams--dreams that she can sometimes control. There are those who want to run experiments on her and use her for their own purposes, while others think she should be committed to an asylum. When the pair discovers someone is impersonating Aunt Cornelia at a conference on psychic dreaming and a woman dies at the conference, the door is opened to a dangerous web of blackmail and murder. Secrets from the past are revealed, leaving Maggie and Sam in the path of a ruthless killer who will stop at nothing to exact vengeance.

"Once again, the incomparable Quick has whipped up a delectable Regency romance" (Booklist)--about an ice-cold business agreement that turns into something far more heated.. The Earl of St. Merryn needs a woman. His intentions are purely practical--he simply wants someone sensible and suitably lovely to pose as his betrothed for a few weeks among polite society. He has his own agenda to pursue, and a false fiancée will keep the husband-hunters at bay while he goes about his business. The simplest solution is to hire a paid companion. After all, the sorry women who must accept such employment are sure to be grateful for any favor... When he encounters Miss Elenora Lodge, he believes his problem is solved. Her dowdy attire and pinned-up hair cannot hide her fine figure and the fire in her golden eyes. And her unfortunate circumstances--and secret dreams of a life onstage--make the Earl's offer undeniably appealing. But St. Merryn is clearly hiding something, and things seem oddly amiss in his gloomy Rain Street home. Elenora is soon to discover that his secrets are even darker than his décor--and this lark will be a more dangerous adventure than she'd been led to believe. And Arthur, Earl of St. Merryn, will find that the meek and mild companion he'd envisioned has become both a partner in his quest to catch a killer--and an outspoken belle of the ball who stirs a bothersome passion in his practical heart...
