#1 NEW YORK TIMES BESTSELLER • NEWBERY MEDAL WINNER • NATIONAL BOOK AWARD WINNER Dig deep in this award-winning, modern classic that will remind readers that adventure is right around the corner--or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times \*Includes a double bonus: an excerpt from *Small Steps*, the follow-up to *Holes*, as well as an excerpt from the New York Times bestseller *Fuzzy Mud*.

Fantasy gets a clever refresh in the final book of this witty, action-packed, and hilarious middle grade adventure trilogy. At Saint Lupin's Completely Ordinary School Where Nothing Bizarre Ever Happens Most Especially Not Illegal Quests That Destroy Famous Landmarks, students are not taught about pirates. They're not taught how to identify them, how to befriend them, or even how to fight them...which leaves the school completely open to pirate invasion. And on the first day of classes, that's precisely what happens. When a pirate captain and her crew steal an ancient Prophecy Medallion, Anne, Penelope, and Hiro are caught up in yet another adventure. After accidentally activating a quest, Anne and her friends have no choice but to complete the task and deliver the medallion to the supreme pirate ruler, Octo-Horse-Pirate. But the quest and the medallion are not what they seem, and Octo-Horse-Pirate is no run-of-the-mill villain. To complete the quest, Anne will have to uncover the truth about her mysterious past—and, just maybe, save the whole world in the process. Filled to the brim with heart-pounding action, miniature dragons, attacking chickens, and (sometimes friendly) pirates, *The Adventurer's Guide to Treasure (and How to Steal It)* is a laugh-out-loud, fast-paced adventure that will leave you breathless.

Bursting with stories and informational text selections by award-winning authors and illustrators, the *Wonders Literature Anthology* lets students apply strategies and skills from the Reading/Writing Workshop to extended complex text. Integrate by reading across texts with the Anchor Text and its Paired Selection for each week Build on theme, concept, vocabulary, and comprehension skills & strategies of the Reading/Writing Expand students' exposure to genre with compelling stories, poems, plays, high-interest nonfiction, and expository selections from *Time to Kids*

Two intrepid girls hunt for a legendary treasure on the deadly high seas in this YA remix of the classic adventure novel *Treasure Island*. 1826. The sun is setting on the golden age of piracy, and the legendary *Dragon Fleet*, the scourge of the South China Sea, is no more. Its ruthless leader, a woman known only as the Head of the Dragon, is now only a story, like the ones Xiang has grown up with all her life. She desperately wants to prove her worth, especially to her mother, a shrewd businesswoman who never seems to have enough time for Xiang. Her father is also only a story, dead at sea before Xiang was born. Her single memento of him is a pendant she always wears, a simple but plain piece of gold jewelry. But the pendant's true nature is revealed when a mysterious girl named Anh steals it, only to return it to Xiang in exchange for her help in decoding the tiny map scroll hidden inside. The revelation that Xiang's father sailed with the *Dragon Fleet* and tucked away this secret changes everything. Rumor has it that the legendary Head of the Dragon had one last treasure—the plunder of a thousand ports—that for decades has only been a myth, a fool's journey. Xiang is convinced this map could lead to the fabled treasure. Captivated with the thrill of adventure, she joins Anh and her motley crew off in pursuit of the island. But the girls soon find that the sea—and especially those who sail it—are far more dangerous than the legends led them to believe.

"Now a major motion picture! Includes full-color movie photos and exclusive content!"--Dust jacket.

When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.

The creators of the Core Knowledge Series for elementary school students turn their attention to the needs of preschoolers to describe the essential building blocks of knowledge they require to provide a firm foundation for their future
